hinges PCD98 see
Haps cert for 37 series
hinge. Certificate
1309-CPD-0115

For AXIM panic gear
see "Axim CE Marking
Certificate 1121 - CPD
- AAA016 and 1121 -
CPD - AAA017 "

EC CERTIFICATE OF CONFORMITY

Number: 1121 - CPD - AAA016

In compliance with Directive 89/106/EEC of the Council of European Communities of 21 December 1988 on the approximation of laws, regulations and administrative provisions of the Member States relating to construction products (Construction Products Directive - CPD), amended by the Directive 93/68/EEC of the Council of European Communities of 22 July 1993, it is confirmed that the following products are subject to factory production control procedures and are submitted by the manufacturer to further testing of samples taken at the factory in accordance with a prescribed test plan. The stated Notified Certification Body has performed the initial type-testing for the relevant characteristics of the product, has conducted the initial inspection of the factory and the factory production control, and is responsible for the continuous surveillance, assessment and approval of the factory production control. At the request of the manufacturer, this Body also routinely conducts audit-testing of samples taken at the factory, on the market or at the construction site.

construction product : **Panic exit devices; Axim PR7085 and Axim PR7095.**

placed on the market by:

Company:

The Parkside Group Limited

Address:

The Willows Centre, Mitcham, Surrey, CR4 4NX

product classification:

3	7	6	0	1	3	2	1	A	B
---	---	---	---	---	---	---	---	---	---

intended use:

For use on single leaf escape route doors.

This document certifies that all the provisions concerning the attestation of conformity and product performance described in Annex ZA of the product standard

BS EN 1125 : 2008

were applied and that the product fulfils all the prescribed requirements.

Notified Certification Body: **Warrington Certification Ltd**

EC Reference Number: **1121**

This certificate was first issued on **26/08/2009** and remains valid as long as the conditions laid down in the harmonised technical specification above, or the product design, or the manufacturing conditions in the factory, or the FPC itself are not modified significantly, or at the latest **26/08/2014**.
